1. The following Russian troop units were observed passing through Elsterwerda (A-03). Source apparently had evidence that they were bound for the following points within Czechoslovakia on the dates indicated:

a. 27-29 February 1948: Ten thousand troops to Podmokly (F-56) and Usti (F-44).

b. 10 March 1948: Thirty-two carloads of technical and signal corps troops to Decin (F-56).

c. 14 March 1948: Four hundred infantrymen to Podmokly; one light tank section in twenty-six cars to Prague via Usti.

d. 15 March 1948: Thirty-eight carloads of infantrymen with light machine guns and mortars to Podmokly.

e. 19 March 1948: Approximately 500 troops to Podmokly with weapons and signal equipment.

f. 1 April 1948: Approximately 800 troops to Podmokly.

g. 3 April 1948: Approximately 1,000 infantrymen with field equipment to Podmokly.

This document is hereby regraded to
